

# Gordon & Helen Doke Memorial Scholarship

Student Name: \_\_\_\_\_ Date \_\_\_\_\_  
Last First

We feel strongly that education is among the most valuable assets a person can have, certainly more valuable than any tangible thing. It shapes a life. We are the very fortunate beneficiaries of the opportunities given to us by our parents. In a small way, we would like to help a light to shine that otherwise might not. We are interested in helping a student who has the potential to succeed but lacks the confidence and financial support to continue his/her education.

---
